

**East Thompson
Volunteer Fire Department**

P.O. Box 271
Thompson, CT 06277
Est. 1958

December 6, 2017

Job Posting

The East Thompson Volunteer Fire Department is currently seeking applications for part-time paid medical technicians to staff the Thompson Speedway Motorsports Park (TSMP). The East Thompson Volunteer Fire Department has been providing fire/rescue/EMS services to the TSMP (formerly known as the Thompson International Speedway) for over 35 years. The TSMP opened a 1.7-mile road course which will be operating at the speedway grounds approximately 160 days of the year (May thru November). These positions for paid medical technicians ONLY apply for road course events, track rentals and racing schools.

Responsibilities

- Provide first responder medical care (BLS level)
- Operate vehicles/equipment (when needed)
- Complete daily checks and tasks assigned by the incident commander or supervisor
- Reports to the incident commander, supervisors, fire chief, and fire officers.

Qualifications:

Required: Previous EMS Experience with EMR, EMT or Paramedic certification.
Valid Driver's License with clean motor vehicle check.
Clean Background Check
Must be a minimum of 18 years old

Individuals interested in applying for the positions available should submit a completed fire department application with references, cover letter, and copies of all valid certificates/licenses (including driver's license) by January 15, 2018. Applicants may submit their applications by dropping it off at the station or sending the completed application packets to:

East Thompson Volunteer Fire Department
